ERANOS FOUNDATION

ERANOS **FOUNDATION**

*D*ear Friends of the Eranos Foundation, we welcome you to this new year of activity and thank you for the trust you have granted us during these years. The growing success of the public and the quality of your participation gratify us for the efforts we have made in organizing cultural programs, which we hope have been, and will continue to be, up to your expectations. In accordance with the provisions of our Statutes, the Foundation's cultural programs, generously supported by public and private contributions, intend to continue to move, gradually, in the direction of a partial self-financing of its activities. Nevertheless, it is our explicit desire to continue to provide high-quality cultural initiatives, if possible, entirely free of charge, as well as to offer, alongside the scientific activities, moments of informal and convivial meeting, which represent particularly appreciated opportunities for dialogue with our lecturers.

In order to meet these needs, in 2016 we conceived the idea of establishing a club of supporters of Eranos, named – with an explicit reference to the Foundation's history – **ERANOS CIRCLE**, whose objective is to gather the Foundation's affectionate frequenters and guarantee them, in addition to the usual activities promoted at Ascona-Moscia and Monte Verità, a series of additional benefits. Specifically, for 2023, there are four ways to join the **ERANOS CIRCLE**:

1) **SUPPORTING FELLOW** (annual membership fee of CHF / EUR / USD 100), with the right to receive a copy of the publications produced by the Foundation during the year, including the *Eranos Yearbook* and the monographic volumes of the *Saggi di Eranos* series.

2) **PATRONIZING FELLOW** (annual membership fee of CHF / EUR / USD 300), with the right, in addition to the benefits provided for the Supporting Fellow, to the free participation to the Eranos Conference (*Tagung*) and to a reduced fee for the Eranos School activities.

3) **BENEFACTOR FELLOW** (annual membership fee of CHF / EUR / USD 1000), with the right, in addition to the benefits provided for the Supporting Fellow and the Patronizing Fellow, to the invitation to the inaugural dinner of the Eranos Conference (*Tagung*) and to the free participation to all the Eranos School activities.

4) **EXCLUSIVE FELLOW** (annual membership fee of CHF / EUR / USD 2000), with the right, in addition to the benefits provided for the Supporting Fellow, the Patronizing Fellow, and the Benefactor Fellow, to receive the first 30 volumes of the series of the *Eranos-Jahrbücher* I/1933-XXX/1961 in anastatic reprint (special edition in a box set, not for sale) and the possibility to sojourn for three nights free of charge at Eranos, in the historical structures of the Foundation, for a personal retreat or for a stay to be gifted to others.

There are also several projects underway to valorize the documents kept in the historical Eranos Archives: very rich materials (manuscripts, letters, photographs), which have grown over the decades thanks to the untiring work of our founder, Olga Fröbe-Kapteyn (1881–1962), and her successors. The critical edition of these materials – which is part of the primary mandate of the Aragno Eranos Ascona Publishing House, founded for this purpose in 2019 – can be supported through *ad hoc* donations (personal and institutional), of which the Foundation is committed to give notice in the context of their publication. For more information and an overview of current projects eligible for support, please contact us.

Thanking you for the support you will give us also this year, we wish you all the best for this new year of cultural programs.
